Thursday 7th May 2015

Dear Parents

Ofsted Report

Our school was inspected on the 15/16th April and I know everyone has been waiting with eager anticipation for the report to be published. I am delighted to be able to let you know that Ofsted has found Charmouth Primary School to be good in all respects and it gives me great pleasure to be able to present the report, which praises so many aspects of our school, to you today. I hope you will agree that it reflects the dedication and commitment of the teachers and support staff who have all worked so hard to raise standards and improve the education for all our children since our last inspection in May 2013.

The report has clearly identified how every area in the school has improved and has also outlined what our school now needs to focus on as we continue to strive for excellence on our learning journey.

I would personally like to thank my staff, governors, parents, children and the local community for all their support during the last two years. It has been a challenging yet rewarding journey and we are now in a position of strength to move forward together, keeping the best interests of the children of Charmouth Primary School at the heart of all we do.

Best wishes

Gillian Morris
Headteacher
