

School Newsletter

Monday 8th October 2018

We seem to have had a very busy couple of weeks, with more to come over in the lead up to half term! It was wonderful to see so many parents at our Harvest assemblies; we hope many of you will be able to join us again on Friday 19th October when we will be having whole school open assemblies to celebrate our learning through the topic of 'Marvellous Me'. It is a real pleasure walking through the school during the day; there is a real calmness and purposefulness with the children focused and engaged in their learning.

Headteacher

Looking back at the week:

National Poetry Day (which was last Thursday) involved the children writing their own poems and then sharing them with other children across the school.

Thank you to all parents who came to watch the children's Harvest Festival Assembly. The generous donations will be gratefully received by LymeForward Food bank.

Some Friendly Reminders

Last Friday a letter went out regarding the School Car Park. For reasons including health and safety we are asking that parents/carers do not use the school car park for drop off and/or pick up. Other arrangement must be made. We understand permits can be bought to use the beach carpark. Thank you for your co-operation with this.

Attendance is a really important aspect of school life. Not only does Ofsted pay close attention to attendance levels but it also makes a huge impact to a child's learning. As a whole school lets make a big effort to improve and maintain high attendance levels for the rest of the academic year.

Class Attendance

Well done **Dophins** class for the highest attendance last week with 98.7%.

Whole school attendance last week:

97.3%

Government expectation: 96%
