It was lovely to see parents at the Open Celebration Assembly last Friday. Thank you for coming. It was also a great opportunity to meet Jo from Dorset Family Partnership and hear how we, as parents, can get support and advice. Our first parents evening went very well and we are looking forward to seeing more parents tomorrow. During the evenings, a parent questionnaire was available, thank you to everyone who filled one out; more information will be shared on the outcomes of the questionnaire.

School Attendance

The school works closely with the Dorset County Council Attendance team to monitor pupil attendance. We aim to work with parents to ensure regular attendance at school. The parents of any children with attendance of less than 90%, the level which is described as persistent absentee, have had letters for their information. Letters will follow this week to the parents of children with attendance below 95% for their information.
