

There were tears and smiles all round leaving our school yesterday morning as Years 5 and 6 waved goodbye to the rest of the school and their parents. As Claire Richards, our school cook, stepped onto the coach for a few seconds, some of the reception children thought she was going on the trip and wouldn't have any lunch!

Everyone enjoyed the coach trip to Osmington and very soon settled down to an afternoon and evening packed with exercise and activities. Good team building skills were practised during raft building before being well fed! After supper, everyone enjoyed sitting round the campfire before writing an account of the day in their diaries. Lots of happy children : )

Love from Osmington
