

# School Newsletter

Monday 28th January 2019

Parent consultation will take place next week in the school. These consultations will be 10 minutes long and will be about your child's progress and attainment. Parents will also get the chance to see a workbook with examples of their child's work so far this academic year. Tuesdays appointments are available now to book through ParentMail and Thursday appointments will be available to book from Wednesday.

There are amber weather warnings regarding snow and ice, can we remind parents that unless the weather is extreme we have playtimes outside. Can all children please have a coat so that they can enjoy this out-door play with out getting cold.

Following on from this, can the children please come to school wearing the correct school uniform. School shoes, grey trousers/shirt/dress, white t-shirt, blue jumper with school logo. Our school lost property box is overflowing—please come and look for any lost items.

## Star Celebrations

The following children were recognised in our celebration assembly on Monday for their learning, attitudes and demonstration of our values and ethos. Well done!

Dear Parents,

As part of our fun learning during Number Day this Friday, KS2 children will be incorporating junk modelling into their Maths learning. As we do not keep a large supply of "junk", we would like to ask if

you could donate any spare boxes, tubes, containers etc which could be used. Anything you can offer will be greatly received and can be brought in to the office any time this week. Many thanks for your support.

## Message from the Governors

*Do you know any local people who would be interested in supporting our school as a Governor?*

The governors are looking to recruit non-parents of children at this school onto the governing board. If you know anybody who might be interested from an educational or financial background who might be suitable for this role could you please ask them to email the Chair of governor's on:

[governors@charmouth.dorset.sch.uk](mailto:governors@charmouth.dorset.sch.uk)

Thank you

# Number Day 2019

Friday 1<sup>st</sup> February we will be taking part in Dress up for Digits and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie).

To help raise money for the NSPCC, we are asking for a suggested donation of £2, and we'd love everyone in the school to take part in this special event. We will also be taking part in a series of fun curriculum-based challenges.

### For Your Attention!!

Nits and Lice are common in children and can spread easily amongst the children in school. Please can parents check their children for nits and take necessary measures to get rid of nits if they are found. Please see the below link from the NHS for further information.
