All equipment will be provided; children are expected to wear suitable warm clothing and shoes. It will probably be cold so please dress in double layers – it's easier to remove than not have anything to add! For Forest School, walking boots are recommended due to warmth, however, wellies with welly socks should be fine. Please provide them with their own packed lunch with plenty to drink and a mid-morning snack. Wet weather gear including layers are also advised. It is the responsibility of parents to make sure sunscreen is applied before the day and that inhalers are brought with the child, and that the leaders are informed of medical conditions. All the activities have been fully risk assessed but still could result in children being injured. We will accept no liability. All Primary Sports staff have a clear, enhanced DBS check through the company.

In light of last weeks World Book Day we have plans to freshen up the library. We have selected some of the older unused books which are now in the school foyer and would like to welcome all families to help themselves.

So please come along for a browse – if you would like to drop a few pennies in the pot there will be a donation tub available.

Can we remind parents the school car park is reserved for staff, visitors and parents who hold a Blue Badge.

Can we also ask parents to take care when driving down Lower Sea Lane to be thoughtful to those walking on the pavement. Please pay attention to the speed limit, double yellow lines and when the weather is wet take care not to spray puddle-water over pedestrians.

Please can parents be aware that they can not leave car seats, suitcases/overnight bags in the office.
