

		 Cycle B Curriculum Overview Pathfinders Years 1 & 2 September 2021							
		Science	Design and Technology	History	Geography	Art	Music	Computing	PSHE
	 Zero to Hero 6.5 weeks 3.1.2022- 18.2.2022	<p>To observe and name a variety of sources of light, including electric lights, flames and the sun</p> <p>To know that fire has been used throughout history for heat and light</p> <p>To know about simple circuits involving batteries, wires, bulbs and other components</p> <p>To know how a switch can be used to break a circuit</p>	<p>Explore the sensory qualities of materials</p> <p>Identify a target group for what they intend to design and make</p> <p>Recognise how structures can be made stronger, stiffer and more stable</p> <p>Generate and talk about their own ideas</p> <p>Follow safe procedures</p> <p>Take account of simple properties of materials when deciding how to cut, shape, combine and join them</p> <p>Use tools and materials with help</p> <p>Identify a purpose for what they intend to design and make</p> <p>Identify simple design criteria then plan what to do next, using a variety of methods</p> <p>Observe and take account of properties of materials when deciding how to cut, shape, combine and join them</p> <p>Identify what they could have done differently or how they could improve their work in the future</p> <p>Communicate their ideas using a variety of methods e.g. drawing, making mock-ups, ICT</p> <p>Measure, mark, cut out and shape a range of materials</p> <p>Use simple finishing techniques</p> <p>Talk about their ideas, saying what they like and dislike, and evaluate against their design criteria</p>	<p>Pupils should be taught about events beyond living memory that are significant nationally or globally</p> <p>To realise that setbacks do not have to be a barrier to achievement – Michael Jordan</p> <p>To learn that perseverance is vital to achievement – Thomas Edison</p> <p>To understand that circumstances do not have to be a barrier to achievement – Malala Yousafzai</p> <p>To learn to overcome rejection in order to go on to succeed – Walt Disney</p> <p>To understand how showing respect for individuals leads to gaining respect – Mother Teresa</p>		<p>To know about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work</p> <p>To know that Christy Brown was a famous artist who could only use his left foot to draw and paint with</p> <p>To understand some of the challenges that Christy Brown must have faced</p>	<p>Use their voices expressively and creatively by singing songs and speaking chants and rhymes</p> <p>To know what cheerleading is and learn about the history of cheerleading</p> <p>To understand the importance of listening to others when performing in a group</p>	<p>To use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies</p> <p>To use technology purposefully to create, organise, store, manipulate and retrieve digital content</p> <p>To explore digital resources by using hyperlinks and simple menus</p> <p>To use the internet and other digital sources to find out about significant issues, events and people and explore real and imaginary locations</p> <p>To use technology purposefully to create, capture, organise, store, manipulate, retrieve and present digital content</p> <p>To try alternatives using a range of tools and techniques to alter text, images and sounds</p> <p>To use strategies to stay safe when using ICT and the internet</p> <p>To plan, discuss and review work developed using ICT in order to improve it</p> <p>To identify when and where to go for help and support when they have concerns about material on the internet</p>	<p>To recognise what they are good at</p> <p>To value their own achievements</p> <p>To learn how to set simple goals and targets for themselves</p> <p>To recognise how they can use their strengths to contribute to different groups</p> <p>To identify and respect similarities and differences between boys and girls</p> <p>To recognise and respect similarities and differences between people</p>
	Curriculum Paddington's Passport 3 weeks 28.2.2022- 18.3.2022				<p>To understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a contrasting non-European country i.e. Lima, Peru and London</p> <p>To name and locate the world's seven continents and five oceans</p> <p>To name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas</p> <p>To identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage using world maps and globes</p>				
	 Happily Ever After 7 weeks 21.3.2022- 20.5.2022	<p>To understand the difference between things that are living, dead and things that have never been alive</p> <p>To know that humans and other animals can produce offspring and that these offspring can grow into adults</p> <p>To identify and name a variety of birds</p>	<p>Design purposeful, functional, appealing products for themselves and other users based on design criteria</p> <p>Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology</p> <p>Select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing]</p> <p>Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics</p> <p>Understand the importance of exploring and evaluating a range of existing products</p> <p>Evaluate their ideas and products against design criteria</p> <p>Design and make a prototype of a bag suitable for the client (Fairy) to carry things in.</p>			<p>To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination</p> <p>To use a range of materials creatively to design and make products</p> <p>To know the importance of including specific features in a model or artefact linked to a fairy tale character</p>	<p>Experiment with, create, select and combine sounds using the inter-related dimensions of music</p> <p>To understand the meaning of pitch</p> <p>To know the meaning of tempo</p> <p>To know that dynamics relates to volume</p> <p>To know what sound effects are and how they are used</p> <p>To know how to create and follow a graphic score</p>	<p>To understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions</p> <p>To explore digital resources by using hyperlinks and simple menus</p> <p>To identify common uses of information technology beyond school</p> <p>To give instructions to make things happen using programmable devices</p> <p>To use technology purposefully to create, capture, organise, store, manipulate, retrieve and present digital content</p> <p>To try alternatives using a range of tools and techniques to alter text, images and sounds</p> <p>To combine written text with graphics, tables, sound and images and present work appropriately</p>	<p>Learn about bullies and bullying behaviour</p> <p>Understand that bullying is wrong</p> <p>Understand that name-calling is hurtful and avoidable</p> <p>Take part in discussions with the whole class</p> <p>Recognise how their behaviour affects other people</p> <p>Understand what is and what is not bullying behaviour</p> <p>Recognise how their behaviour affects other people</p> <p>Understand that bullying is wrong</p> <p>Learn strategies to cope with unfair teasing</p> <p>Understand that there are different types of teasing and bullying</p> <p>Understand who can help if someone is affected by bullying</p> <p>Understand that there are different types of bullying, that bullying is wrong and how to get help to deal with bullying</p> <p>Understand what is positive and negative behaviour • Recognise how their behaviour affects other people</p>
	Active Week 1 week 23.5.2022	 Light Up the World 7 weeks 7.6.2022- 21.7.2022	<p>To recognise that we need light in order to see things and that dark is the absence of light – LKS2</p> <p>To know, name and observe a variety of sources of light, including electric lights, flames and the sun</p> <p>To recognise that light from the sun can be dangerous and that there are ways to protect their eyes – LKS2</p> <p>To understand that the sun provides energy and that solar power is a sustainable energy source</p> <p>To be aware of simple ways to save electricity</p> <p>To know that shadows are formed when the light from a light source is blocked by a solid object – LKS2</p> <p>To understand the term 'nocturnal' and learn about nocturnal animals</p>				<p>To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space</p> <p>To learn about colour sequences and be able to order colours, from lightest to the darkest</p> <p>To understand that, depending on how much pressure is applied, different media e.g. coloured pencils, can produce different tones and shades</p>	<p>Listen with concentration and understanding to a range of high-quality live and recorded music</p> <p>To know how to create and follow a graphic score</p> <p>To understand the meaning of timbre</p> <p>To know the importance of structure in a piece of music</p>	<p>To use technology purposefully to create, organise, store, manipulate and retrieve digital content</p> <p>To explore digital resources by using hyperlinks and simple menus</p> <p>To collect, sort, record and represent information to inform investigations and designs</p> <p>To draw conclusions from data collected</p> <p>To use technology purposefully to create, capture, organise, store, manipulate, retrieve and present digital content</p> <p>To combine written text with graphics, tables, sound and images and present work appropriately</p> <p>To plan, discuss and review work developed using ICT in order to improve it</p> <p>To use technology safely and respectfully, keeping personal information private</p> <p>To identify when and where to go for help and support when they have concerns about material on the internet</p>
