

Charmouth Primary School Round-up

Friday 4th November 2022

Local Food Links

The new Autumn menu is now live on Food links website. Remember to order your child's lunches 7 days in advance.

Go to <https://my.localfoodlinks.org.uk/>

The Christmas Lunch Menu has also been released and you need to order this by Wednesday 7th December in order for your child to receive their Christmas lunch on Wednesday 12th December.

Cooking Sessions

From next **Wednesday 9th November**, Navigator class will be having cooking sessions. Please can every child bring in a tupperware container with a lid each week so they can take home their creations to share with their family.

Milk Cartons Please

Adventurers have requested large empty 4-pint milk cartons please.

If you are able to donate these, please drop off to the office or send in with your child.

Bags2School

The PTFA are raising funds for the school by collecting good quality clothing, paired shoes, handbags, accessories, belts, soft toys, bedding cases, sheets and household linen and towels.

Please use your own bags and drop off on

Monday 21st or Tuesday 22nd November at:

21 Welsey Close, Charmouth 3:30pm-7:30pm

Charmouth Primary School 8:45am – 3:25pm

Thank you for your generosity.

World Cup Football Stickers

We have been gifted some World cup football stickers and collection books and would like to offer them to those who want them.

We do not have enough to give one to every child so please contact the office if you would like to have one and they will be given out on a first come, first served basis.

Library Helper

Could you spare an hour a week between 12 noon and 1pm to tidy, organise and assist pupils in making full use of this great resource? Please contact the office if you are able to help. Thank you

ParentLine

We are pleased to let you know that ParentLine 5-19 is now live and will be available to parents of children and young people aged 5-19 between 9am and 4pm during School Term times. If you require support with your child/young person's health, wellbeing or development, you can use this service.

ParentLine 5-19 (Text messaging service)- **07312263131** text for advice from a member of the School Nursing team.

Fallen Tree

You may have noticed that there is a tree down outside school reception. We are in the process of arranging for it to be removed but please exercise due caution in the area and as always, ensure children are supervised.

Staffing Update

Congratulations to Miss Morrison who has secured a new role at Mountjoy School enabling her to continue to develop her interest in SEND. She will therefore be leaving Charmouth at the end of this term. Parents of children in Pathfinders class will be updated on staffing as soon as we are able. In her role as assistant headteacher, which will be full time from January, Miss Farmer will be overseeing provision in key stage 1, so please do feel free to arrange to have a conversation with her if you have any concerns.

TT Rockstars Day

We have had a fun day today for Rockstar Day and have seen some fantastic outfits and crazy hair so thank you for your support! All children have had a go at either Times Tables Rock Stars (KS2) or Numbots (KS1) and are able to log on successfully. They have had fun exploring the site, updating their avatars and earning coins. Login details for this program as well as our other home learning platforms can be found in the children's reading records so that children can play at home. We have two tournaments running until Monday between Years Three and Four and Years Five and Six. Results of the winning year groups will be announced on Monday in Celebration Assembly and as you can imagine, there is a fair bit of competition going on today!

For your information, currently in class, Year Two are focusing on their 2s, 5s and 10s, Year Three on their 4s, Year Four on their 7s and Years Five and Six on all of the facts up to 12 x 12. The aim is for all children to know all the tables by the end of Year Four.

Following on from our successful Maths-related day today, we will be taking part in Maths Week from 14th November where the children will take part in even more fun games and challenges. More information on this event to follow. In the meantime...rock on!

Navigators Beach School

The Royal British Legion Poppy Appeal

The school have received their poppies for Remembrance Day.

We have regular poppies, wristbands, and coat pulls. If you would like your child to have something, please send them in with a donation.

Sewing Club

Mrs Cole, one of our fabulous volunteer helpers, has kindly offered to run an after school sewing club on Mondays for up to 10 children.

Places are limited, so please contact the office if you would like your child to attend the club and we will advise you of a start date.

Year 6 Height and Weight Checks

Following on from the email regarding the National Child Measurement Programme, we would like to remind parents that these checks will be carried out on Monday 7th November.

The checks are carried out by registered school nurses or trained health care providers. Children are measured fully clothed, except for their coats and shoes, in a private space away from other pupils.

If you are happy for your child to be measured, you do not need to do anything.

Please inform your child's school as soon as possible after reading this letter:

- **if you do not want** the height and weight of your child to be checked
- if your child has a medical condition that affects their height or weight or taking part in the measurements

Children will not be made to take part on the day if they do not want to.

Please contact the office if you require further information.
