## Headlice

Please can we ask you to regularly check your child's hair for headlice. Please follow the link below for advice on how best to prevent and treat this condition and let us know if you find any.

### **Save Your Village Magazine**

Shoreline Magazine desperately needs new team members to keep it going after 15 years as an integral part of Charmouth community.

Ideally, a team of at least 4 people is needed, with interests / skills in editing, advertising, graphics, desktop publishing, reporting, publicity, distribution or finance. Many hands make light work and there will be plenty of opportunity to put your own stamp on the magazine. Perhaps you would like to contribute to the community, use skills gained in a previous career or re-ignite a passion long buried? This could also be an ideal opportunity to get hands on experience in the world of publishing / journalism for those starting out on their working journey.

If you are able to help in any way, no matter how small, please contact Jane Morrow [janiem21@aol.com](mailto:janiem21@aol.com) so that the next issue is not the last. Thank you.
