Request For Help - Navigators Park Trip

Navigators have worked really hard to get two full pebble buckets which they have put together so they can have an afternoon at the park. As Tuesday is the best day weather wise, this would be our choice for this trip providing we have enough adults. Please contact the office or Miss Berry if you are able to come along. Beach school on Wednesday is cancelled due to the weather.

End of school Arrangements

Please can we request that if there is a change in the arrangements for collecting your child / walking home (year 5/6), parents let us know via email by lunch time.

Summer Reading Challenge

This week, the children had an assembly on the Summer Reading challenge run by Dorset library Service. Lots of them were keen to have a go and use their local library.

Charmouth Community Library is open:

Monday and Wednesday 14:00 – 16:30

Friday and Saturday 10:00 – 12:00

Summer Holiday Self Care

Many young people will be looking forward to the summer holidays as an opportunity to recharge, but some may find it challenging without the structure and support networks of being in school.

The Anna Freud Centre has put together packs for schools to share with young people to help them stay mentally healthy over the summer. The packs include self-care activities that other young people have found useful. These are attached to this newsletter.

Visit Public Health Dorset's website for more information on mental health resources and services in Dorset.
